

“Playground is the best film I’ve seen on the abuse and exploitation of children. In the tradition of our greatest protest art, it is both aesthetically sophisticated and politically committed. Nuanced and sensitive, it avoids the usual sensationalism surrounding this topic. This is the untold story of an American underworld.”

Zoe Trodd, Harvard University

BITAHR (The Boston Initiative to Advance Human Rights) is dedicated to programs that focus on helping women and children attain protection against human rights violations related to commercial sexual exploitation. Executive Director: Alicia Foley Winn

Kim's Project is a program specifically for women victimized by or at risk for sexual exploitation, violence and prostitution and provides positive alternatives for young adults to ensure their safety and raise awareness. Executive Director: Cherie Jimenez

PLAYGROUND is a feature length documentary about the child sex trade in the United States.

Directed by Libby Spears

Executive Produced by George Clooney & Steven Soderbergh
Animation by Yoshitomo Nara

The screening will be followed by a Q&A with the filmmaker, Alicia Foley Winn from BITAHR; Cheri Jimenez from Kim's Project; and Karen McLaughlin from the Human Trafficking Task Force.
